We are excited to provide you with the materials necessary to enroll your child in the summer Extended Care (EC) program. The Extended Care staff is thrilled about the opportunity to spend time this summer with your child. We have many plans and hope and pray that your child will have a great summer with us. Please consider sharing this information with a friend. **Registration is due by March 15, 2023.**

2023 Tuition for Extended Care

We understand that family vacations and planning for your children's summer can be challenging. To be more respectful of your summer schedules, we have two options for you. If you can meet a **minimum of 20 days** for the entire summer, **the daily cost is \$50.00**. If you need care for less than 20 days, the daily price is \$55. You can choose the days that work best for you. The existing discount for multiple children in our programs will still be honored. Please fill out the attached form to help us know which days we will care for your child. **Lunches are included** in your tuition. Lunches are ordered in advance for days included in your contract unless you let us know your child would rather bring a bag lunch from home. If you need to add a day, you may need to pack a lunch at home. We provide morning and afternoon snacks. **Please let us know if your child has any dietary restrictions.**

There is no program registration fee if you currently have children in Extended Care. For returning EC summer students, the registration fee is \$35.00. If your child is new to EC, registration is \$50.00. Please return forms with the appropriate fees. Please contact Renae Hoernemann (renae.hoernemann@oslcs.org) in the school office or me if you have any questions about tuition. We would be happy to answer any questions.
