## KOALA ROOM

February was spent talking about spreading love and kindness. We worked on being kind to our friends and to our toys. We made some Penguins, Snowmen and decorated hearts for Valentines Day. We also made special Valentines for our parents. It is hard to believe it is March already. In March we will be talking about community helpers, gardening, birds and Easter.

Miss Carla will be on vacation Feb 29th-March 7th.

## DUCKY ROOM

March brings lots for spring fun for our lessons! We will learn about spring, insects, transportation and farm animals. We will also grow some class plants that we will watch and water. We will learn about the events of Good Friday and Easter in the Bible. We are closed Friday March 1st, 15th and 29th.

### Afternoon Class

Hello Afternoon Cool Cats and Families, March is going to be a very busy month for us. We will be learning all about Dinosaurs, and then we will turn our eyes to Jesus and Easter! We have 3 Friday's off in March for staff training, conferences and Good Friday. So make sure you mark those dates on your calendar. We look forward to learning about Jesus' death on the cross and His rising again. Have a good month and bring on spring!

## WHALE ROOM

The Whale Room has had many wonderful moments during February. Celebrating the great love of God for all of us. So many blessings come through setting our Hearts for Jesus!

During March we will be looking forward to Spring. We will learn about how Jesus paid all of our debt on the cross and rose again to beat death once for all!

Letters this month are Yy, Ss and Ee.

We are closed March 1st, 15th and the 29th.

**Miss Marion, Miss Lisa,  
Miss Laura, & Miss Ally**

## KINDERGARTEN

February brought us a month filled with learning and LOVE in our Kindergarten/Fall 5's class! We were reminded of how much Jesus loves us and how important we all are to Him. We celebrated 100 days of learning. We had fun collecting 100 postcards (127 arrived-THANK YOU to all!) to celebrate 100 days of school. We did lots of counting and skip counting-FUN! March will be fun learning about Dr. Suess, Signs of Spring, Rainbows and Easter-Jesus' death and resurrection.
