KOALA ROOM

Happy May! The end of the school year is fast approaching. Bring on summer! In the Koala Room in May we will be talking about Spring, Mother's Day, the Zoo, My Senses and Friends.

Just a reminder to bring in a Spring jacket for your child so that we can get out and enjoy Minnesota's beautiful Spring weather.

CLASSROOM NEWS

LAMB ROOM Morning Class

Hello Lamb Families,
Greetings! For those who haven't heard yet, My name is Miss Courtney, and I am delighted to be stepping in for Miss Jenn during her absence. I look forward to not only be teaching but also getting to know each of your children as we journey through the remainder of the school year together.

As we head into the month of May, I wanted to share some exciting updates regarding our curriculum and upcoming activities.

We have some wonderful curriculum units lined up that promise both learning and fun! We will immerse ourselves in the themes of Spring, flowers and insects, and exploring the wonders of nature around us. We've been practicing our songs for the Spring program at the end of May. We can't wait to sing them for you!

In addition to Spring themes, we will learn about two important Biblical topics. First, we will focus on the significance of Pentecost and the Holy Spirit, introducing the children to this remarkable event in a way that is both meaningful and accessible to them. Following this, we will learn about Jesus' miraculous healing of the crippled man: a story rich in lessons of compassion and faith.

Here's to a month filled with discovery, creativity and beautiful music!

Miss Courtney and Miss Vicki

Afternoon Class

Hello to all my Afternoon Cool Cats!

I cannot believe how quickly winter has turned to spring or that summer is almost upon us! May is our last month of the formal school year, and we will be enjoying a lot of extra time outside and in nature. We will be learning about all things flowers and farms! The Lambs have been practicing their songs for the spring program/Whale Room graduation on May 22 at 10:30 am. Don't forget to have a light jacket at school for chilly mornings and afternoons. Thank You!

Miss HillieRe and Miss Lena

WHALE ROOM

Welcome to a fabulous Spring! As we enter the final month of this school year I want to take this opportunity to thank you all! Your children have been a pleasure and it has been wonderful to see how they have grown! During May we will be learning about pets, hiking and camping and most importantly preparing for graduation! Our Letters will be Oo, Xx and Ll.

KINDERGARTEN

It is hard to believe that we are in our last month of the 2023-2024 school year. We have learned so much. The children are beginning to read and are enjoying their time together.

In May our units will be: Spring flowers, Cinco De Mayo, Mothers Day, Building Super Character Traits, word families, end of Kindergarten year Memorial Day and Summer fun.

We have had so much fun learning and growing together this school year. God as blessed our school year together.

Blessings, Mrs. Tammy Limmel
