DIRECTOR NOTES

Happy February Everyone! We survived January. We had a little rough patch during January where we had several staff out sick at a time but we made it through. Having several staff out sick, means having to piece things together with the staff that are healthy. This can prove to be very challenging. Thanks to our amazing staff for pulling together so that all our classrooms were covered!

Our classrooms will be having a Hearts for Jesus Party coming up this month so watch for information from your child's teacher about that.

We had so much fun celebrating National Lutheran Schools week! Thank You all for your generous donations for Bountiful Baskets! All Programs will be closed on Friday, February 28th for Staff Development.

KOALA ROOM

Wow it is February already! We have had a busy month in the Koala Room. We have gotten to know our new teacher Miss Patty! We have had fun singing and dancing to winter songs. Our favorite is "I Live Inside a Snowglobe" by The Laurie Berkner Band. We have talked about the sun, moon and stars and read stories about them and also winter stories. We had fun dressing up for National Lutheran School's Week.

In February we will be talking about One Fish, Two Fish, Hearts for Jesus, Weather Wonders and Polar and Arctic Animals.

Happy Valentines Day!

Miss Carla, Miss Patty and Miss Xin

DUCKY ROOM

January was a busy month in the Ducky room. We had several staff and children out sick so we did a lot of cleaning and organizing in the Ducky Room.

For the month of February we will be talking about Polar Animals, Hearts for Jesus, Farm Animals and Weather Wonders.

We will be closed on Friday, February 28th for Staff Development.

CLASSROOM NEWS

LAMB ROOM

Morning Class

We are so thankful we got some snow in January! We went outside when the weather allowed us to! The lambs are doing such a great job putting on their snow gear. Self-help skills are such an age appropriate skill for early childhood development. Our book buddy this month is LLama LLama. The stories are amazing and have great lessons to learn in them. The end of the month we had so much fun celebrating Lutheran schools week.

KINDERGARTEN

January was filled with fun in Kindergarten/Fall 5's. We enjoyed so many fun activities during National Lutheran Schools Week. God has blessed us with an amazing school and with a great staff, awesome children and families that we are very thankful for.

Thank you to everyone who was able to join us to sing at church to kick off the week. The children did a wonderful job singing. I also want to say, Thank You for all the wonderful donations for the Bountiful Baskets food shelf. Your donations will help many families in need.

During the month of February we will learn about: Ground Hog Day and Snowy Days.

We will celebrate 100 days of Kindergarten.

(Thank you all for the Postcards coming into the classroom.)

We will celebrate sharing kindness and love with Hearts for Jesus/Valentine's Day.

We will also be learning about President's Day.

Blessings, Mrs. Limmel
