We had a busy February in the Koala room. We did several art projects, made valentines for Mom's and Dad's, and talked about our Love for Jesus.

In March we will talk about Community Helpers, St. Patrick's Day, Farm Friends and Transportation.

We will be closed on Friday, March 14th for Parent-Teacher conferences. Watch for conference time slots coming soon.

DUCKY ROOM

We have had a very busy month in the Ducky room. Lots of activity happening. We celebrated Valentine's Day by making valentines for our Mom's and Dad's, making a Hearts for Jesus project by coloring on tinfoil and spraying it with water and making a print onto white paper. We also decorated our own heart bags to hold all the valentines we received from our friends. In March we will be talking about One Fish, Two Fish, Community Helpers, Numbers 1-5 and Transportation.

We enjoyed our month of celebrating love and friendship! On Friday, March 14th we will be closed for Parent-Teacher Conferences. Please fill out your conference forms ASAP. Next we will be celebrating Easter and talking about the sacrifice Jesus made for us, and the miracle of his rising from the dead Alleluia. Please have rain/snow boots all spring as it will be warm, muddy and wet outside!

WHALE ROOM

Morning Class

Welcome to March! February was cold but the Whales found warmth in the Love of Jesus. We learned that he can heal bodies and most of all hearts! During March the Whales will have fun with Franklin and explore Spring. Our letters will be Yy, Mm, Ss and Jj.

Miss Marion and Miss Ally

Afternoon Class

This month in the afternoon Whale Room we will be finishing up our writing books. They will be bringing a new writing tool as a reward for working hard the whole year to practice writing. The themes for the month will start with Dr. Seusses birthday, learning about Ireland and celebrating with rainbows and shamrocks. We will also discover Spring animals, spring plants and spring crawlers. It is fun to be looking ahead to a new season.

Miss Lisa and Miss Laura

KINDERGARTEN

February brought us a month filled with learning and LOVE! We were reminded of how much Jesus loves us and how important we all are to Him. We celebrated 100 days of learning. We had fun collecting 100 postcards (151 arrived - THANK YOU to all!) to celebrate 100 days. We had lots of counting and skip counting FUN! March will be fun learning about Dr. Suess, Signs of Spring and Rainbows.
