<b>May 27-30</b>	<b>No Preschool</b> (Full-time Childcare and Extended care open), transition week
<b>June 2</b>	Summer Programs Begin

## DIRECTOR NOTES

The end of our School Year is upon us. The Preschoolers and Fall 5's/Kindergarten will be having a Spring Program on Wednesday, May 21<sup>st</sup> at 10:30 am. We hope you can all join us for this fun event.

We have had so much fun getting to know all of the new children that joined us last September. They have all grown and learned so much this year. Sadly it is also that time of year that we say good-bye to some children that move on and will not be with us this summer and next fall. We thank you so much for sharing your children with us. Blessings to them in their next adventure.

Tami and Carla

## KOALA ROOM

Wow April sure went fast and summer is fast approaching.

We have had a lot of changes in the Koala room these last couple months. All of our older infants have moved on and we are a younger group with new infants joining our class. We will be up to 8 infants by the end of summer. We look forward to watching a new group of infants grow and learn all kinds of new things this summer and into the next school year.

The month of May we will be talking about Birds, Music/Mother's Day, the Zoo and the Red, White and Blue.

A couple of quick reminders for the Koala room to help keep our classroom clean:

\***No outdoor shoes** in the classroom, we ask that you please remove your shoes outside the door.

\*We ask that older siblings wait outside the classroom door when you are picking up your infant. Thank you so much for helping us keep our infant room clean.

Miss Carla, Miss Patty and Miss Xin

## DUCKY ROOM

April showers bring May flowers! I would like to thank you all for allowing me to work with your children.

This past month the Duckies worked very hard on establishing a solid daily routine. When children know what to expect it makes transitions so much easier for them. Things we do daily include weather, the book Head to Toe during morning group, Music and Movement after morning snack, and a weekly repetitive read consistent with the theme. We are looking to add in teacher lead small group activities to promote appropriate social interactions.

It is hard to believe we are already moving on to spring time. We are starting to get outside a lot more as the weather begins to warm up. Before we know it we will need to be applying sunscreen to our little ones. We ask that you bring in non aerosol sun screen for your child that we can apply on your child before we go outside in the afternoon. We ask that you please apply sunscreen to your child before bringing them in to school in the morning.

Alyssa and I appreciate you all so much! Please feel free to message us with any questions you might have and we will do our best to get back to you asap.

Mr Jake and Miss Alyssa

# CLASSROOM NEWS

## LAMB ROOM

### Morning Preschool

April has been fun enjoying the beautiful spring weather. The children are loving the swings, slides and the sand. It is hard to believe it is May! We will be working hard to get through the alphabet this month. We are also excited to choose a song for our spring program.

**Miss Jenn and Miss Xin**

### Afternoon Preschool

We cannot believe May is here! What a year it has been! We will be learning all about flowers, gardening, and farming this month. Thank you all for being wonderful and thoughtful in contributions and donations to our classroom and school! We have our spring program coming up, and we will be practicing our song "I've Got Peace Like A River" for the program.

**Miss HillieRe and Miss Lena**

## WHALE ROOM

### Morning Preschool

It is so hard to believe we have arrived at the last month of our school year! I want to tell all of you how wonderful it has been to learn and grow with your children. We will be closing our year learning how Jesus sent us the Holy Spirit and how He can change the hardest of hearts when He brought Saul into the Kingdom of God. We will also be talking about Hiking and Camping, Pets and Fairy Tales. The Whales are already preparing something special to bless you at our Spring Program! Letters this month are Oo, Xx, and Ll. The last day of school is May 23rd.

**Miss Marion and Miss Ally**

### Afternoon Preschool

The end of the year is drawing to a close very quickly. The 1<sup>st</sup> week of May we will be celebrating the special ladies in our lives and learning fun fairy tales. We will use flannel story boards to tell and retell the tales. Week 2 we will be working on fine tuning our Spring Program songs and hopefully getting our plants started in the garden. Our "starter plants" are already getting big in the window upstairs. Please come up and see how much they are growing. Week 3 will have us looking toward all kinds of ideas for summer fun. The last week we will be remembering all our heroes in uniform. We will be finishing up some year end projects, saying goodbye to some friends and hello to new ones. This year has been filled with growth and smiles.

**Miss Lisa and Miss Laura**

## KINDERGARTEN

It is hard to believe that this is our last month of the 2024-2025 school year. We have had so much fun and learned so much.

The children are beginning to read and are enjoying their time together.

In May our units will be: Cinco De Mayo, Mother's Day, Spring Flowers, Building Super Character Traits, word families, end of Kindergarten year, Memorial day and Summer fun.

We have really enjoyed learning and growing together this school year. God has blessed our school year together.

Thank you for sharing your children with me this school year

**Mrs. Tammy Limmel**

\*TUESDAY CHAPEL OFFERINGS WILL BE GOING TO HELP SUPPORT LCM CHAPLAINS IN THE MILITARY THROUGH CONCORDIA THEOLOGICAL SEMINARY.
