DIRECTOR NOTES

We have had a fantastic start to our school year. To ensure the safety of your children we would just like to remind parents that when you are dropping off and picking up each day to please keep your children with you at all times. We have seen several children running out the front doors without their parents. The parking lot is very busy during the day with cars and busses dropping off and picking up children and we would hate for something bad to happen to your children.

Our Preschool and KSK classes had a great time visiting the Apple Orchard. Thank You Parent volunteers for helping us out on this field trip. Let's have a fantastic October!!

Miss Tami and Miss Carla

KOALA ROOM

Fall is definitely in the air whether we are ready for it or not! We had a very busy September with adding new friends to our classroom. We welcomed back Sullivan who was gone for the summer and added our new friends Sophia and Ripp. In October we will say goodbye to Penny and Miles as they make their move to the toddler classroom. They will be missed but they are ready for the big move. We will welcome Rosemary and Colette to our class in October.

Our themes this month are Fall Colors, Apples and Pumpkins. Our Christian Ed themes are Baby Isaac, Joseph's family and Baby Moses.

Blessings!

Miss Carla, Miss Patty and Miss Xin

DUCKY ROOM

September was a very busy month and we look forward to the month of October. We have some fun things planned for the Ducky room in October.

We spent a lot of time outside in September and will do the same in October as we know all too well our time will be limited outside very soon.

Our themes for this month will be centered around fall colors, apples, pumpkins and the changing of the seasons.

CLASSROOM NEWS

LAMB ROOM

Morning Preschool

Lambs loved finding our book buddy Pete The Cat in our school. The Lambs have done a great job with our class routine! Our Class has loved having their classroom jobs. Singing is one of our favorite things to do. Our favorite songs right now are Dinosaur Boogie and We Are the Dinosaurs.

The Lambs had a great time at the Apple Orchard!

Miss Jenn, Miss Vicki and Miss Xin

Afternoon Preschool

Happy Fall Y'all! In September the Lambs learned the first letter of their name and how to recognize it. In October they will start tracing their names daily. We had so much fun learning about our friends, and all about apples. Soon we will be learning about Fire trucks and fire stations, as well as all things fall (leaves, pumpkins and other fun fall activities). Check out our flower art in the hallway between the front and back doors, as well as our all about me posters in the long hallway to the gym. As always let us know if you have questions or concerns.

Blessings,

Miss HillieRe and Miss Lena

WHALE ROOM

Morning Preschool

Welcome to Autumn! During October we will be learning about Jacob, Joseph and Moses. All great men after God's heart. We will also be talking about families, fall and community. Our letters this month will be Hh, Jj, Pp, and Ff

Miss Marion and Miss Ally

Afternoon Preschool

In October we will explore the wonders of sunflowers, discover the joys of the gift of nature and learn about different kinds of community helpers. We will also dive into fall and all it's treasures. We will be using leaves, acorns and pine cones to learn how trees help us. Pumpkins will be our last theme of the month and we will close out October with a pumpkin party.

Miss Lisa and Miss Laura

KICK START KINDERGARTEN

Well we have completed our first month of school as the Frog class. Can you believe it? We have had many fun times getting to know each other and learning new things. This month in Kick Start Kindergarten our units will focus on Apples, Fire Safety, Fall and Pumpkins. Our letter sounds will focus on Ss, Tt, Bb, Hh, Mm, and Kk. During Jesus Time we will learn about how God used Joseph and Moses to lead His people.

Blessings,

Tammy Limmel
