November 27-28 All Programs Closed for Thanksgiving break

December 17 Early Childhood Christmas Program (Infants-KSK) 9:00am

DIRECTOR NOTES

We had a wonderful October! The weather was perfect for fall and for playing outside as much as we could. Thank you to all that came out to the Trunk or Treat event! It was so much fun seeing you all and your little ones in costume and having such a great time.

Conferences are coming up on Friday, November 7th. Our Savior will be closed that day. (extended/school-age care is open) If you signed up for a conference you should have received a time slot to meet with your child's teacher. If you need a reminder let us know.

Our Savior will also be closed to all programs on Thursday, November 27 and Friday, November 28th for Thanksgiving Break.

Blessings
Miss Tami and Miss Carla

KOALA ROOM

Wow October went by fast! We had so much fun talking and doing art projects about fall in our class. Check out our pumpkin projects hanging in the hallway above the lockers. The infants marbled painting with orange paint and then dropped the face pieces onto the pumpkins using sticky glue. This is a fine motor and sensory activity. Some were not so sure about touching the glue.

In November we will be talking about fall harvest, Friends and Thanksgiving.

Blessings!

Miss Carla, Miss Patty and Miss Xin

DUCKY ROOM

We hope our Ducky families enjoyed the fall weather this past month! It's been so nice to be able to get all of your children outside most days. As we move into this colder weather we'd like to remind families that we do go outside whenever weather permits. Please bring in a warm jacket, hat and mittens labeled with your child's first and last name to help avoid any mix ups. We are closed on Friday, November 7th and look forward to meeting with those of you who signed up for conferences.

Mr Jake and Miss Alyssa

CLASSROOM NEWS

LAMB ROOM

Morning Preschool

Lambs had a fun month learning about pumpkins, bats and spiders. We loved being pumpkin investigators and seeing what was inside a pumpkin. Our favorite Jesus time activity was making a wall of Jericho, and making it tumble down. We are excited to learn about David and Goliath. We are always working hard to fill our kindness jar.

Miss Jenn, Miss Vicki and Miss Xin

Afternoon Preschool

We have made it through October! We have been enjoying pumpkins, paw patrol and fall leaves. The crisp feel in the air makes for chilly times on the playground. Don't forget to keep a jacket, hat and mittens in your child's locker. I have really been enjoying our small group of Lambs in the afternoon, they are such good friends and play so nicely together. Don't forget to keep bringing your books back, so that your child can check out another book each week. Whale and KSK families, I keep a pen and notepad in my return basket, so if your child would like to check out a book while we are outside or on a different day, feel free to write down their name so I can keep track. Thank You! Blessings,

Miss HillieRe and Miss Lena

WHALE ROOM

Morning Preschool

Thank you everyone for a wonderful October filled with the celebration of community and bountiful Harvest! During November the Whales will learn about our State of Minnesota and all about family giving and thankfulness. Our letters this month will be Cc, Mn, Tt, and Gg.

Miss Marion and Miss Ally

Afternoon Preschool

The gales of November are upon us. We will be talking about the Fall Harvest and explore all kinds of seeds from the harvest and a few scarecrows. We will also be talking about all things Minnesota and Thanksgiving by spending time learning about all the things we are thankful for.

FYI: Miss Lisa will be on vacation sometime in November for a week or so as she heads south to spend time with her daughter and new granddaughter when she makes her arrival.

Marion and Tami will be filling in during that time.

Miss Lisa and Miss Laura

KICK START KINDERGARTEN

We have finished our 9th week of KSK in the FROG room. We have learned many things in these first 9 weeks of school. We are working on building friendships, learning to use our creativity and cooperate with each other as we play and learn. God has blessed us with wonderful friends. We are learning valuable reading and math ideas. Our units in November will focus on Fall and Thanksgiving. Our letter sounds will focus on Kk, Jj, Ff and Gg. We will meet the letter Friends- Sammy Seal, Mimi Mouse and Tiggy Tiger and learn the sounds that they make.

Most importantly we are learning that we have a God who loves us and cares for us every day. We are very blessed! Praying for God's blessings to all our families as we celebrate Thanksgiving!

Blessings,

Tammy Limmel
