## KOALA ROOM

Happy New Year! We are Blessed beyond measure and grateful for this new year. Thank you all for being so generous with your teacher gifts this Holiday season. We appreciate it so very much! This month we will talk about tools and construction, sun, moon and stars, the beach and snow much fun. We would like to remind parents to please not let your older children open up the infant classroom doors and come into the room by themselves. This is a safety issue. Our infants love to hang out by the windows and watch people walk by in the hallway and we would hate to have little fingers pinched in the door. We also ask that if your older children need to come with you to pick up your infant they need to wait by the door while you gather your infants things. Thanks so much!

Blessings,  
Miss Carla, Miss Patty and Miss Xin

## DUCKY ROOM

Happy January Ducky Families! We hope you had a fantastic Christmas and a Happy New Year!

This month our themes will be centered around jungle animals, tools/construction, insects and the circus. We continue to promote social skills, cognitive development and physical growth everyday by talking about our feelings, using our words to express ourselves and sharing with others.

We will be adding some new friends to our Ducky class this month as we say goodbye to some friends who will move onto the Lamb room.

As always please don't be afraid to message in daily connect if you have any questions or concerns.

Mr. Jake and Miss Alyssa

### Morning Class

2026 will bring 4 new friends to the Lamb Room. We have a fun month of learning about winter activities and polar animals. So thankful we have all the fun snow to play in this year. December was a wonderful time for us to celebrate the birth of Jesus. We enjoyed learning how children around the world celebrate Jesus' birthday.

During the month of January we will be talking about how the Shepherds and the Wise Men celebrated the birth of Jesus.

We will enjoy units on celebrating the New Year, Gingerbread books, Martin Luther King Jr. (We will learn how MLK Jr taught others that God created everyone and we need to treat each other with love and respect at all times) and Winter fun/Snow.
