## DIRECTOR NOTES

Happy February Everyone! We survived January. We had a little rough patch during January where we had several staff out sick at a time but we made it through. Having several staff out sick, means having to piece things together with the staff that are healthy. This can prove to be very challenging. Thanks to our amazing staff for pulling together so that all our classrooms were covered!

Our classrooms will be having a Hearts for Jesus Party coming up this month so watch for information from your child's teacher about that.

We had so much fun celebrating National Lutheran Schools week! Thank You all for your generous donations for Bountiful Baskets

Miss Tami and Miss Carla

## KOALA ROOM

The year is off to a great start! We had so much fun during Lutheran Schools week with all the different dress up days.

We have had so much fun playing in the tunnel in our classroom, stacking blocks and playing and dancing to music.

Make sure to check out our artwork in the hallway and in our classroom. We made hammers, stars and snowmen in January.

This month we will be talking about Colors, Hearts for Jesus/Valentines, Farm Animals and Arctic Animals.

Miss Carla, Miss Patty and Miss Xin

## DUCKY ROOM

What a ride January was for the Ducky's! We learned about tools and how to use them, we also spent time talking about different kinds of bugs and sorting them by colors.

We spend time every morning singing and clapping our friends names during group time. As a transition to lunch we play a group game that involves taking turns.

Our themes for February will be arctic animals, farm animals, hearts/shapes and weather.

We are praying for warmer weather so we can spend more time outside in February.

# CLASSROOM NEWS

## LAMB ROOM

### Morning Class

We enjoyed the beginning of January playing outside in the sticky fun snow. We loved our song "I had a chubby Snowman."

We decided to keep our Christmas tree up the rest of the year. We made glitter snowflakes with our faces. We talked about how God makes us all unique and different like snowflakes. We have a friend in our class called manner monster. He loves to hear the kiddos say please and thank you! We are using stuffed animals as learning tools in our classroom and it has been so much fun for the kids.

**Miss Jenn, Miss Xin and Miss Vicki**

### Afternoon Class

Hello Everyone!

We are excited to jump into February. In January we enjoyed our field trip to Stages Theatre and had so much fun dressing up for National Lutheran Schools Week.

This month we will be celebrating friendship and love as well as Valentine's Day. We will focus on God's love for all and how we can show his love to others.

Keep healthy and warm, and spread His love!

## SKS

January was filled with fun in the FROG class. We had so much fun with special activities during National Lutheran Schools Week.

God has blessed us with an amazing school with a great staff, awesome children and families that we are very thankful for. Thank you for choosing us at Our Savior to educate and care for your children.

Thank you to everyone who was able to join us to sing at church to kick off the week celebrating Christian education. The children did a wonderful job singing. I also want to say, Thank You for all the donations for the Bountiful Baskets food shelf. Your donations will help many families in need.

During the month of February we will be learning about Ground Hog Day and Snowy Days. We will celebrate 100 days in SKS. (Thank you for all the postcards coming into the classroom. Keep them coming.) We will celebrate sharing kindness and God's love with Hearts for Jesus/Valentine's Day. We will also be learning about President's Day.

Blessings, Mrs. Limmel
