DIRECTOR NOTES

The end of our School Year is upon us. The Preschoolers and KSK will be having a Spring Program on Wednesday, May 20th at 10:30 am. We hope you can all join us for this fun event. We have had so much fun getting to know all of the new children that joined us last September. They have all grown and learned so much this year. Sadly it is also that time of year that we say good-bye to some children that move on and will not be with us this summer and next fall. We thank you so much for sharing your children with us. Blessings to them in their next adventure.

KOALA ROOM

Welcome to May!

We have been very busy in our classroom celebrating 1st birthday as we have 5 infants that are all 6 weeks apart in age. We have one more turning 1 in May. We are blessed to add 3 new infants to our class as we have said goodbye to 3 friends that have moved on. We look forward to getting to know our new friends and to help them grow and learn all kinds of new things.

The month of May we will be talking about Birds, Music/Mother's Day, the Zoo and the Red, White and Blue. Have a Blessed Summer!!

Miss Carla, Miss Patty and Miss Xin

DUCKY ROOM

We said April showers bring May flowers but it seems like we got more snow than rain! This is our last newsletter until fall. We hope you all had a great experience at Our Savior School this year. In May we will focus on Mom's, Music, Our Senses and Trees.

We are excited to spend the summer with our friends who will be staying for the summer and we will miss those that will be staying home this summer. We look forward to your return in the fall. As always feel free to message us with any questions you may have.

In the month of May we will be talking about the special ladies in our lives. We will find ways to spoil and honor them! We will discover the world of fairy tails through our story boards. We will explore the different ways to have "summer fun" with camping, ball games, water fun and many other ways. During the last week in May we will transition into our summer routines. Look for some subtle changes. We will also celebrate those that defend our country on Memorial Day.

KSK

It is hard to believe that this is our last month of the 2025-2026 school year. The FROG class has learned so much. The children are beginning to read and are enjoying their time together.

In May our units will be: Cinco De Mayo, Mothers Day, Spring Flowers, Building Super Character Traits, word families, Memorial day and Summer fun.

We have really enjoyed learning and growing together this school year. Thank you for sharing your children with me this year.

Blessings
