NOTES FROM THE DIRECTOR

We are heading into the cold and flu season as some of you have already experienced. In order to keep our younger students healthy we are asking that if you have siblings to please drop off your oldest child first before dropping off your younger child and then at pick up time if you could please pick up your youngest child first. If that is not possible we ask that you leave your older child outside the door when picking up your younger child. Thank you so much!!

KOALA ROOM

We have had a great start to the school year. We said good-bye to several friends as they made their move to our toddler program. We have a smaller group right now so Miss Patty has been spending her mornings in the Chick's classroom helping out and then back in the Koala room for the afternoon.

In October we will focus on Apples, Seasons, Farms and Pumpkins, our Christian Ed focus will be on Jesus Feeds 5,000, Joseph's Coat and Baby Moses.

We do like to get outside on walks if the weather permits so please bring in a jacket for your infant to wear. Also now is the time to change out your child's clothing for something warmer for this fall season.

DUCKY/CHICKS ROOM

October is here! What a ride it was for the Ducks and Chicks in our new classroom. We learned new songs and hand motions to Jesus Loves me and This Little Light of Mine, read stories (Chicka Chicka Boom Boom was a favorite). We did art that aligned with God's creation as well.

Just a reminder that all food needs to be cut up for your toddler. No larger than 3/4 inch size bites. Please do not cut food in rounds. For example hotdogs, grapes and string cheese. Cut down the middle and then in small bites. Lunch time with toddlers is very busy and we do not have a lot of time to cut up lunches and the toddlers get very impatient for their lunch when they have to wait.

We look forward to a fun October with activities of Fall fun!!

Hello to all our Afternoon Families,
We blinked and now it is October. September was spent making friends, learning and growing in our relationships with Jesus! In October we will be diving into all things fall, as we watch the seasons change. Reminder: please dress your child for the weather, sweatshirts and jackets, hats and mittens. We do love spending extended time in the afternoons outside on the playground!
